

Find the right Sellars® DRC Wiper for your needs!

Sellars® Wiper Put Ups

Put Up Applications

In Action

Big Grip® Bucket

Our patented Big Grip® Bucket is a water resistant container that has a flip up center opening for access to our DRC wipers and has a large handle that make it extremely portable.

Perfect for jobs outside, wet work sites or storing in the back of a pick-up or utility truck as it is designed to keep your towels clean and dry until they are needed

Big Grip® Refill

Our patented Big Grip® Refill dispenser is the perfect hybrid wiper put up. Towels are packaged in a durable water resistant poly wrap with a peel and reseal label to cover the center opening.

Can either be used as a refill for the Big Grip® Bucket or a standard wall mount dispenser OR it can be used as a stand alone center pull dispenser

¼ Fold Wipers

Our ¼ Fold wipers are stacked on top of the other in a poly wrapper and are ideal for stationary jobs as they can be stacked out on a workbench or counter top allowing for quick and easy access to wipers.

Can be stacked out on a workbench or counter top allowing for quick and easy access to wipers. Recommended for areas with limited space and/or workers and moderate levels of contact with grease, grime, etc.

Interfold Wipers

Our interfold wipers are packaged in a cardboard dispenser box that protects the towels and allows for single sheet dispensing and have the largest sheet size of any of our standard put ups.

Recommended for jobs that require portability and have moderate to high levels of contact with grease, grime, etc.

Jumbo Roll Wipers

Our jumbo roll wipers are the most efficient wiper put up in our line as they have the largest number of sheets per unit allowing for less time spent replacing new wipers compared to our other put ups.

Recommended for jobs that have a large concentration of employees in one area and have high levels of contact with grease, grime, etc.

We have two different types of dispensers for these rolls: Roll Stand and Wall Mount.

Roll Towels

Our roll towels have been designed for maximum portability and simple dispensing. They can easily be carried to and from a specific area that requires a towel, left in an area with limited space that requires regular access to towels or can be used on a simple wall mount kitchen towel dispenser.

Recommended for areas with limited space and/or workers and has a low to moderate level of contact with grease, grime, etc.
