- Hazmat Sorbent Split Rolls are great for cleaning up aggressive chemical leaks and spills, such as battery acid, and other toxic chemicals
  - Economical way to clean up hazardous chemicals and flammable or unidentifiable liquids
  - Hazmat Meltblown Sorbent Rolls are perforated every 18" across
  - Hazmat Meltblown Sorbent Pads are yellow in color to denote the hazardous liquids they can adsorb and helps make sure the used rolls are disposed of properly
  - Hazmat Meltblown Sorbent Rolls are made in the USA
- Caution: Dispose of all sorbent materials in accordance with local, state and federal regulations*
