## Meltblown Sorbents

### Meltblown Sorbents RR Track Mat - 58"

 **Made in the USA**

- Oil Only RR Track Mat Rolls are the perfect size at 58" wide for fitting between the rails
- Rolls have a three layer construction that consists of a top layer of durable UV stabilized needle punch, middle layer of very absorbent meltblown and a bottom layer of thick poly backing to keep liquids from getting to the ground
- Rolls aren't just designed for rail road tracks and can be used in any application where a walk-way with messy fluids must be kept off of the ground

*Caution: Dispose of all sorbent materials in accordance with local, state and federal regulations*
