

EverSoak® Series  
Light-Duty Absorbent Roll

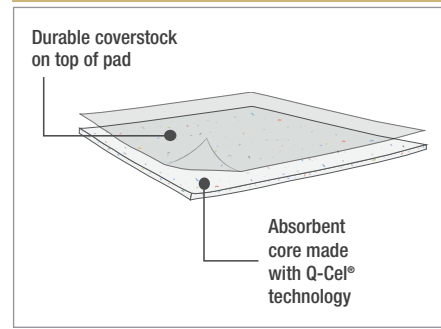

Absorbs up to  
43 gallons of  
oil per bale\*

\* per ASTM F726-06

# Absorbents

## Light-Duty Absorbent Roll

**Made in the USA**

- Made with 70% recycled cellulose fibers
- EverSoak® Light-Duty Absorbent Roll soaks up both oil and water as well as grease, transmission fluid, hydraulic fluid, coolants, diesel fuel and many other fluids
- Perforated every 19" across as well as down the center of the length of the roll
- More absorbent and a more cost effective alternative than oil based polypropylene sorbent rolls
- Coverstock is only on the top side of the sorbent roll to allow roll to instantly begin soaking up liquid, keeping the roll firmly in one place and still having the durability that customers have come to expect from the EverSoak® line of absorbent
- Class A fire retardant when roll is dry (lab tested per ASTM E84)

*Caution: Not intended for use with aggressive acids or caustics. Dispose of all sorbent materials in accordance with local, state and federal regulations.*

EverSoak® Light-Duty Absorbent Roll Outer Case

### EverSoak® Light-Duty Absorbent Roll

<b>Product Number:</b>	22884
<b>Roll Size:</b>	28.5" x 150'
<b>Quantity Per Case:</b>	1/box

## General Purpose Absorbents

EverSoak® is a truly innovative green sorbent product with a general purpose line that is made with 70% recycled fibers. EverSoak® is up to twice as absorbent as the leading competitors' meltblown sorbents, according to independent lab tests, which helps reduce usage.

Sellars uses recycled cellulose fibers to produce the General Purpose EverSoak® products. Unlike any other sorbent manufacturer, Sellars is also a manufacturer of a full line of very popular DRC shop towels. This gives us a strategic advantage because we are able to use the waste from producing our high quality industrial wipers as the major raw material source for our general purpose EverSoak® products. Since the major source of raw material is generated internally, we are not forced to purchase random and inconsistent waste material on the open market for our general purpose sorbent products.

**Made in the U.S.A.**

### Heavy-Duty

<b>EverSoak® Heavy-Duty Absorbent Pads</b>	
Product Number:	22851
Pad Size:	15" x 19"
Quantity Per Case:	50/box

<b>EverSoak® Heavy-Duty Absorbent Roll</b>	
Product Number:	22854
Roll Size:	28.5" X 75'
Quantity Per Case:	1/box

<b>EverSoak® Heavy-Duty Absorbent Split Rolls</b>	
Product Number:	22855
Roll Size:	14.25" x 75'
Quantity Per Case:	2/box

<b>EverSoak® Heavy-Duty Barrel Top Absorbent Pads</b>	
Product Number:	22866
Pad Size:	22" Diameter
Quantity Per Case:	10/box
