

# Sorbents

## Meltblown Sorbents

### Meltblown Sorbents OIL ONLY Static Resistant Roll

 **Made in the USA**

- Static Resistant Sorbent Rolls are specially treated to resist static electricity build up
  - Static Resistant Rolls are Oil Only so they will not absorb water making them ideal for use outdoors
  - Ideal for use around fuel or other ignitable fumes, computer production and many applications in cold environments
  - Roll is perforated every 17" across and down the middle of the length of the roll
  - Packaged in a plain bag with a generic label
  - Made in the USA
- Caution: Dispose of all sorbent materials in accordance with local, state and federal regulations*

#### OIL ONLY Static Resistant Roll

<b>Product Number:</b>	82170
