

IBC Spill Pallet - Includes Drain

- Low profile, 28" overall height – allows safe and convenient IBC tank handling and dispensing.
- All polyethylene construction – offers excellent chemical resistance and will not rust or corrode.
- Forkliftable – allows convenient positioning to desired locations.
- Large 52" x 52" deck allows safe and convenient placement of IBC tanks
- Small footprint – 62" x 62" unit requires minimal floor space.
- 360-gallon sump capacity meets SPCC and EPA Container Storage and Spill Containment Regulations.

Spill Containment

Spills Happen.
Be Prepared.

Five inner polyethylene columns support uniformly distributed loads of up to 8,500 lbs. All components are easily removed for cleaning.

IBC Spill Pallet; Includes Drain

Product Number:	91158
